5th January 2009 – 11th January 2009

### Rita Ann Freeman's Weekly Horoscope:

**Private Life:** ✨

**Money and Professional Matters:** ✨

#### Family:

Elders may present a small problem or a big concern near the 5th but it passes quickly for most of you. The 6th to 8th is littered with reasons to spend, spend and spend with travel, education, vehicles, repairs, upgrades, computers and education heading the list. Cancer, Gemini, Taurus and Aries members may have the Lion's share of the outlay this week. A big 'meeting' of some kind near the 9th to 11th may be to discuss problem solving or 'the handling of elders, estates or health issues.'

#### Love:

Romance does best the 6th, 9th and 11th this week for single Lions with 'exotic' and possibly foreign opportunities, especially for Lions who travel. Take a look at 'your position' within a situation before opening a discussion near the 8th; you may not be seeing it/you right. Read the weekly partner horoscope...

#### Friendship:

Friends are THE biggest asset this week as they provide insider connections, lend a hand, help with financing or contribute to the tremendous 'creative power/intellect' showing for the 8th to 10th. Find a pal who is a good 'brain partner' and storm up a huge profit or gain.

#### Career:

THIS is where you need focus since your stars show 'ground work' is done this week in financing and creative intellect. Lay firm foundations for future ventures. You are insightful, creative and savvy. Not much 'gets past you' this week that you don't 'nail in its tracks.' You are quick and your gut impressions are spot on. Return calls quickly for profit/gain the 6th and 8th and for power/control the 5th and 9th.

#### 🌟 Weekly Overview by Deborah Browning 🌟

This week's scenario is highlighted by your ability to put things into a better perspective. Accent is on using your personality to open new doors of opportunity. Your cycle is high. You need to be cautious about who you trust with your personal & financial matters. Time is on your side, so don't rush any big decisions. Remember that a relationship is as much about friendship as it is about obligation. If you and your partner aren't having fun, it's time to ask why. If the two of you were too much alike, there'd be no spark. Use your imagination & you'll come up the winner.
