**Money and Professional Matters:** ☼☼

#### Family:

Discussing budget and laying out extra money is likely and heated emotions near the 7th can quell the high degrees of harmony indicated throughout your week, especially with Capricorn, Scorpio, Cancer, Leo or parents of any sign. Elders may contribute a great deal this week, especially near the 6th and 11th. A long talk near the 9/10th MAY be about how to proceed with either the discipline and/or the care of a member/s.

#### Love:

You may find out this week that you are 'loved more than you know,' by either the revealing gesture of an existing relationship or the surprising and/or 'revealing' gestures of a new one. In either case, upgrades are likely, especially where matched to Capricorn, Cancer, Scorpio, Pisces and Virgo. Read the weekly partner horoscope...

#### Friendship:

New friends are likely this week as well, as is the 'upgrade' in activity of recently formed ones. This can take either the bonding/fostering direction or in some cases, the more 'revealing' energies that 'this person is not what I thought and therefore not a good investment' for me. It's a very revealing week.

#### Career:

So much can be revealed in your career life that you are able to maneuver past trouble spots, solve problems, seize opportunity and have an almost 'clairvoyant' energy with money, profit and gain. #### ☼ Weekly Overview by Deborah Browning ☼

This week's scenario is highlighted by your ability to connect with a new network of learning. Once you do, you'll feel more confident in who you are. Volunteer work looks good on your resume, which can not only help others, but yourself, as well. By removing money from the equation, you allow yourself new avenues of exploration and expression. New friends can lead you to new avenues of social & professional exposure. Be yourself & you'll be accepted & loved by all. Encourage others to pursue their talents. Community spirit might be upstaged by individuals who lacks rational. Listen to them, but don't put too much stock into their sad story. Push the positive flow that will keep you and your ideas floating.
